Assumptions Used in Arriving at Fiscal Estimate <p>The rules are not expected to have any significant fiscal effect on the Department because they are not expected to result in any substantial increase in workload.</p> <p>The rules are not expected to impose any significant costs on the private sector because the rules would only affect businesses that choose to pursue tax credits under section 560.2055 of the Statutes for increasing net employment which either has an annual salary of \$20,000 to \$100,000 or is accompanied with employee training.</p>			
Long-Range Fiscal Implications None known.
